The diagram illustrates the relationship between Stamina, Body Pool, and Conditions. It features two horizontal bars representing 'Current' and 'Maximum' values for both 'Stamina' and 'Body Pool'. A vertical line marks the 'Current' level on both bars. To the right, three colored squares represent conditions: a blue square for 'Fatigued', a red square for 'Severely Wounded', and a dark red square for 'Mortally Wounded'.

This image shows a blank sheet of white paper with horizontal ruling lines. The page is divided into two equal-width vertical sections by a central vertical crease. Each section contains ten evenly spaced horizontal lines, creating a total of twenty rows for writing or drawing. The lines are thin and black, and the paper has a clean, unlined appearance except for these horizontal guides.
